VMI Collects 60,000 euros for KiKa by participating in Berlin Marathon

VMI is very happy to announce that the 14 VMI participants in the Berlin Marathon together raised the wonderful amount of 60,000 euros for the fight against childhood cancer (Stichting Kinderen Kankervrij, meaning the “Children Cancer Free Foundation”).

All 14 VMI participants completed the entire Marathon. More than 100 VMI supporters accompanied the runners to Berlin to provide them with support and encouragement along the way. It was a wonderful experience for both the participants and their supporters.

They returned to VMI on Monday 26 September and were warmly welcomed by family and colleagues.
